### 1. PURPOSE, DESCRIPTION

---

The Policy applies to all members of the Robertson College (College) community including students, staff, faculty, administrators, contract service providers, contractors, officers, directors and individuals who are directly connected to any of its student initiatives, volunteers and visitors.

All members of the College community have a right to study and work in an environment free of sexual violence and sexual harassment.

The College recognizes that certain populations are at greater risk of sexual violence in Canada, including:

- Young women and girls
- Indigenous women
- Women living with cognitive or physical disabilities
- Individuals within the LGBT2SQ+ community
- Newcomer women and women from ethno cultural and racialized communities

SOP Name: Sexual Harassment Prevention Policy and Guidelines	SOP Version Number: v3

We recognize that many of our students attending Private Institutions fall within these populations and we want to emphasize that it is our intent to assure a positive learning environment for all our students, regardless of what population they may belong to. To address this, we have called upon members from all populations in the development of this policy.

The purpose of this policy is to articulate the College's position with respect to sexual violence and establish a formal response protocol for disclosures of incidents of sexual violence.

This document sets out our policy on sexual violence and sexual harassment, defines the prohibited behaviours, and outlines our inquiry processes for sexual violence and sexual harassment. The policy further outlines the procedures the institution will undertake to educate its community on avenues to prevent sexual harassment

## **2. SCOPE**

---

The Policy applies to complaints of sexual violence or sexual harassment that have occurred to members of the College community. The College wishes to offer support to any member of the College community that have been victimized by such actions.

## **4. DEFINITIONS**

---

- a. **Consent:** Consent is central to sexual assault. The Criminal Code of Canada defines consent as it relates to sexual assault as the voluntary agreement to engage in sexual activity. An individual must actively and willingly give consent to sexual activity. Simply stated, sexual activity without consent is sexual assault.

Young people, like many others, often do not fully understand consent and can feel that the line between consensual sexual acts and sexual assault can be unclear. This is particularly true when an acquaintance, friend, or partner is the perpetrator.

Consenting to one kind, or instance, of sexual activity does not mean that consent is given to any other sexual activity or instance. No one consents to being sexually assaulted.

Where consent does not exist (lack of agreement): a person can express a lack of agreement verbally or through conduct (such as physically resisting advances). The Criminal Code makes it clear that a person can, after initially giving consent to engage in sex, revoke consent at any time by expressing a lack of agreement to continue engaging in sexual activity.

In other words, consent:

- Is never assumed or implied
- Is not silence or the absence of “no”
- Cannot be given if the victim is impaired by alcohol or drugs, or is unconscious
- Can never be obtained through threats or coercion
- Can be revoked at any time
- Cannot be obtained if the perpetrator abuses a position of trust, power or authority

It is not for the institution to weigh or determine whether or not consent has been given. This purpose of the policy is not to examine or investigate sexual assault allegations, but

rather to inform all members of the College community of their responsibility to eliminate harassment and inform victims of their rights.

For more information on consent, please refer to <http://www.gov.mb.ca/youarenotalone/consent.html>

- b. **Cyber harassment / Cyber Stalking:** Often used interchangeably, cyber harassment and cyber stalking are defined as repeated, unsolicited, threatening behaviour by a person or group using cell phone or Internet technology with the intent to bully, harass, and intimidate a victim. The harassment can take place in any electronic environment where communication with others is possible, such as on social networking sites, message boards, chat rooms, through text messages or through email.
- c. **Date Rape:** The term “Date Rape” is interchangeable with “acquaintance sexual assault”. It is sexual contact that is forced, manipulated or coerced by a partner, friend or acquaintance.
- d. **Disclosure:** For the purposes of this document, a disclosure is made to any individual other than the police or other judicial official.
- e. **LGBT2SQ+:** The LGBT2SQ+ community includes people who identify as lesbian, gay bisexual, transgender, Two-Spirit, queer, questioning, intersex, asexual, pansexual and / or gender fluid.
- f. **Rape:** a term used to describe vaginal, oral or anal intercourse without consent. Although the term is no longer used in a legal sense in Canada, it is still commonly used and widely understood.
- g. **Sexual Assault:** Sexual assault is any type of unwanted sexual act done by one person to another that violates the sexual integrity of the victim. Sexual assault is characterized by a broad range of behaviours that involve the use of force threats, or control towards a person, which makes that person feel uncomfortable, distressed, frightened, threatened, carried out in circumstances in which the person has not freely agreed, consented to, or is incapable of consenting to sexual assault is a crime. h. **Sexual Violence:** means any sexual act or act targeting a person's sexuality, gender identity or gender expression — whether the act is physical or psychological in nature — that is committed, threatened or attempted against a person without the person's consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation.

- sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome.

- k. **Victim Blaming:** occurs when the victim of a crime or an accident is held responsible – in whole or in part – for the crimes that have been committed against them.

## **6. REPORTING and RESPONDING to SEXUAL VIOLENCE**

---

All members of our College community will take all reasonable steps to prevent sexual violence on our College Campus or events, and report immediately to the Campus Director, Manager or Instructor if they are subject to, witness or have knowledge of sexual violence, or have reason to believe that sexual violence has occurred or may occur.

To the extent it is possible, the Campus Director, Manager or instructor will attempt to keep all information disclosed confidential except in those circumstances where it is believed an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others in our College community are at risk.

Our College recognizes the right of the complainant to determine whether her or his complaint will be dealt with by the police and/or College management. However, in certain circumstances, the College may be required by law or its internal policies, to initiate an internal investigation and/or inform police without the complainant's consent, if it believes

the safety of members of its College community is at risk.

## **7. REPORTING DISCLOSURE OPTIONS**

---

The College recognizes the sensitive nature of sexual harassment and that victims may require different actions by the college in its supportive role. We want to emphasize that should a member of our community feel they have been exposed to any form of harassment the College is there to support them. The College wishes to share the following options for reporting:

### **1. Support without official complaint**

If a member of the college community believes she/he has been sexually harassed they may choose to not put forward a formal complaint but rather simply wish to have the College assist them through the emotional crisis. The victim/survivor here discloses sexual violence to seek emotional support, medical support, or advocacy but not to report to the police.

If such action is chosen by the victim/survivor the College will provide a supportive role. The role in this situation is primarily to be a listener and provide the student with what resources are available to them.

### **2. Action where harassment has been by college community member**

If a member of the college community believes she/he has been sexually harassed by a member of our College community, she/he may confront the harasser personally or in writing pointing out the unwelcome behavior and requesting that it stop; or

Report complaint to the Campus Director, the Vice President of Education and Student Experience (VP) in writing, if in person fill out the attached form (Appendix 2).

Upon complaint of alleged sexual harassment being made to the Campus Director, VP, management will initiate an inquiry (See college harassment complaint process).

### **3. Actions where harassment requires involvement of external bodies**

Should the victim/survivor wish to lodge a complaint with the local police department or seek medical assistance the College will provide a supportive role by providing contact information and assisting with the initial communication to that appropriate body.

## **8. DISCIPLINARY MEASURES**

---

If it is determined by the College that a member of our College community has been involved in sexual violence or sexual harassment of a member of our College community, immediate disciplinary or corrective action will be taken up to and including termination of employment or expulsion of a student.

In cases where criminal proceedings are initiated, the College will assist police agencies, lawyers, insurance companies, and courts to the fullest extent.

Where criminal and/or civil proceedings are commenced in respect of allegations of sexual violence or sexual harassment, the College may conduct its own independent inquiry and make its own determination in accordance with its own policies and procedures.

## **9. MAKING FALSE STATEMENTS**

---

It is a violation of this Policy for anyone to knowingly make a false complaint of sexual violence or sexual harassment or to provide false information about a complaint. Individuals who violate this Policy are subject to disciplinary and / or corrective action, up to and including termination of employment or expulsion.

## **10. REPRISAL**

---

It is a violation of this Policy to retaliate or threaten to retaliate against a complainant, acting in good faith, which has brought forward a complaint of sexual violence or sexual harassment, provided information related to a complaint, or otherwise been involved in the complaint inquiry process.

## **11. PUBLIC REPORTING**

---

- b. The Policy was circulated to students of the Member Schools by way of a survey seeking input and comments from the widest possible student base assuring students have the opportunity to provide input and guidance from all communities and gender populations.
- c. The College reviewed and adapted the policy through the following process.
